SANTOS AUTOMATION

AI Automation Services for Small Businesses

Help your business save time, reduce costs, and grow smarter with our AI automation solutions.

---

1. Workflow Automation

Automate repetitive tasks like invoicing, email management, and data entry.

2. Custom AI Chatbots

Build chatbots to handle customer inquiries, book appointments, or generate leads.

3. Data Analysis & Reporting

Turn your business data into easy-to-understand reports and insights.

4. Document Management

Automate document creation, organization, and retrieval for contracts, invoices, and more.

5. AI Training for Teams

Train your team to use AI tools and automation platforms effectively.

6. Automation Audits

Identify inefficiencies in your workflows and recommend automation solutions.

7. Productivity Tools Setup

Set up tools like Trello, Notion, or Asana to streamline task management.

8. Email Automation

Automate email responses, follow-ups, and sorting to save time.

9. Meeting Assistants

Transcribe and summarize meetings automatically for better follow-ups.

10. Subscription Plans

Get ongoing support and updates for your automation systems at a fixed monthly fee.

11. Research Assistance

Automate market research and competitor analysis to stay ahead.

12. Automation Toolkits

Access pre-built templates and workflows for common small business tasks.

13. CRM Automation

Automate lead tracking, customer follow-ups, and sales pipelines.

14. Learning & Development

Automate employee training and upskilling with personalized learning paths.

15. Automation Consulting

Get one-on-one guidance to design and implement automation strategies for your business.
